DISCLAIMER FOR PATENTED SUBSTANCES

The Product List contains information on worldwide products, not all of which are available in every country. A reference to any product on this list does not imply that such product is or will be available in your location. Any product referred to on this list may be subject to different regulatory and legal requirements depending on the jurisdiction. Consequently, the Information on this list is not designed or intended as a promotion or advertisement for any product or for the use of any product that is not authorized by the laws and regulations of your jurisdiction.

TIEFENBACHER API & Ingredients reserves the right, in its sole discretion, with respect to the offer of any patented products to: (i) alter the conditions under which it is able to offer any Product; (ii) discontinue the offering of any Product; (iii) discontinue the development of any Product; (iv) withdraw any Product from marketing at any time (whether or not such product has been publicly advertised or announced) as it deems fit to comply with TIEFENBACHER API & Ingredients's corporate policy and any current legislation as may be amended from time to time.

With respect to the offer of any patented products, a readiness for delivery does only exist for small quantities of the product and exclusively for acts done for experimental purposes according to § 11 no. 2 of the German Patent Act or for studies and experiments which are necessary for obtaining an authorization to place a medicinal product on the market according to § 11 no. 2b of the German Patent Act.
